SUBJECT : Establishment of DDS&T Advisory Group

1. Attached is the compilation of MAG activities for the past year. As you are no doubt aware, each Directorate will be establishing a similar group to either review any Directorate matter it wishes to look into, or provide guidance to the Directorate on any problem that might be brought to the group's attention.

2. In a few days a memorandum will be forthcoming which will ask that you nominate members to this group. Guidelines for membership will be included. Attempts will be made to limit the duration of the tour and the frequency of meetings in order to maintain panel member interest at a high point.

3. Any suggestions you may have on this matter should be addressed to the undersigned by 1 July 1973.

Acting Chief,
